VIVAX NO FROST freestanding combined refrigerator with freezer CFS-516NDFD X uses "Total No Frost" technology and "No Frost Multi Air Flow" system to keep food fresh and nutritious for longer. NO FROST technology and digital control offer easy maintenance, without the need to defrost the refrigerator and freezer, and the dry air inside the refrigerator greatly extends the shelf life of food.

A high-quality freezer with sliding drawers is ideal for a large amount of food that you want to keep fresh for a long time. The freezer also comes with transparent removable baskets that make it easy to arrange and organize frozen foods.
