INSTALLATION

ENERGY LABEL

The energy label features the European Union flag and the text "ENERGY" in large blue letters. Below this, the brand name "VIVAX" and the model number "DW-601473C X" are displayed. A QR code is located in the top right corner. The energy efficiency class is shown as a horizontal bar chart with categories A through G, with 'E' being the selected class. The energy consumption is listed as 95 kWh / 100 cycles. The label also includes icons for the number of place settings (14 x), water consumption (11,0 L), cycle time (3:40), and noise level (47 dB, class A B C D). The manufacturer's website "vivax.com" is printed at the bottom right.
