## Freestanding refrigerator TTL-131E

The height of the fridge at counter level and a width of 56 cm makes it an ideal choice for spaces such as small apartments, rooms, vacation homes, or lodgings.

The refrigerator has a capacity of 131L and features three glass shelves for freshness, while the drawer at the bottom of the fridge allows for the separation of fresh fruits and vegetables from the rest of the groceries.

The VIVAX freezer class E cools efficiently with low energy consumption, making it economical and environmentally friendly.
