5
PROGRAMS

The VIVAX built-in oven BO-606FTM comes with 5 baking programs. In addition to the classic program with top and bottom heating elements, it also features a fan-assisted baking function that ensures more even and faster cooking, as well as multi-level baking.

This built-in oven with its modern design fits perfectly into any kitchen, while the simple mechanical controls ensure easy operation.

The stainless steel knobs not only contribute to an elegant appearance, but are also durable and fingerprint-resistant, making the oven easier to keep clean.

The built-in oven is easy to clean thanks to the steam cleaning function, which effectively removes grease and dirt without the need for harsh chemicals.
