5  
PROGRAMS

The VIVAX built-in oven BO-806BFM X comes with 5 baking programs. In addition to the classic program using the top and bottom heating elements, it also features a fan-assisted baking function, which ensures more even and faster cooking, as well as multi-level baking.

This built-in oven with its modern design fits perfectly into any kitchen, while the simple mechanical controls ensure easy operation.

The inox knobs not only contribute to an elegant appearance, but are also durable and fingerprint-resistant, making cleaning and maintenance easier.

The built-in oven is easy to clean thanks to the steam cleaning function, which effectively removes grease and dirt without the need for aggressive cleaning agents.
