#### EAN Code

3856005199938 (X), 3856005199945 (G)

#### SAP Code

1400344 (X), 1400346 (G)

The VIVAX built-in oven BO-808BFD comes with 7 baking programs. In addition to the classic program using the top and bottom heating elements, it also features a fan-assisted baking function, which allows for more even and faster cooking, as well as multi-level baking.

This built-in oven with a modern design fits perfectly into any kitchen, while the simple mechanical controls ensure easy operation.

The inox and black knobs pair perfectly with the digital display, providing simple and clear control of the oven.

The built-in oven is easy to clean thanks to the steam cleaning function, which effectively removes grease and dirt without the need for aggressive cleaning agents.
